

Bike and Pedestrian Count 2012!

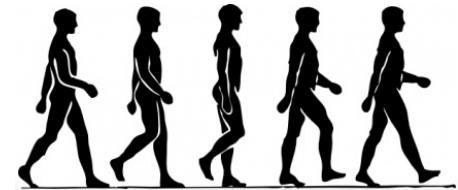

Sign up today by visiting
www.sctrafficsafety.org
Look for the days and times
that work for you!

Please help us count bicyclists and pedestrians at various locations throughout the county for a period of two hours 4-6pm this upcoming **May 15-17**. These counts will help transportation planning agencies increase opportunities for safe and convenient bicycle and pedestrian facilities in our community!
