## **Santa Cruz County Regional Transportation Commission (RTC) June 2<sup>nd</sup>, 2016 Meeting Highlights**

### **Draft Ordinance for potential ballot measure**

The [Regional Transportation Commission](http://www.sccrtc.org) reviewed the draft ordinance for a potential ½ cent transportation sales tax measure ([www.sccrtc.org/move](http://www.sccrtc.org/move)). The ordinance, which includes taxpayer safeguards, serves as the full text of the measure and would be included in the County Elections voter pamphlet. Following a public hearing at the June 16, 2016 Transportation Policy Workshop meeting, the RTC will vote on the final ordinance and expenditure plan for consideration by voters on the November 2016 ballot.

### **Fiscal Year (FY) 2016-17 Work Program**

The [Regional Transportation Commission](http://www.sccrtc.org) approved the draft final fiscal year (FY) 2016-17 RTC work program. The program has been reviewed by Caltrans, addresses state-mandated responsibilities and RTC priorities, and is required for the RTC to receive federal and state transportation planning funds.

### **Highway 1/Mar Vista Bicycle and Pedestrian Overcrossing: Cooperative Agreement with Caltrans**

The [Regional Transportation Commission](http://www.sccrtc.org) adopted a resolution authorizing a Cooperative Agreement with Caltrans to begin the preliminary design and environmental analysis work for a bicycle/pedestrian overcrossing of Highway 1 at Mar Vista Drive. The crossing will provide a safe link to Mar Vista Elementary School, Cabrillo College, and to commercial areas on either side of the highway and the beach. A combination of local, state, and federal funds has been budgeted to secure a consultant team to begin this initial phase of the project to start later this summer.
