Where needed:

- Residence location of the operator does not matter; only riding location does. Similar to motor vehicle registration, the license is uniform throughout the state of California.
- Registration of bicycles is required in Santa Cruz County except in the City of Scotts Valley and in the unincorporated area.

Vehicle Code and local ordinance references:

- Bicycle licensing regulations are specified in the California Vehicle Code (sections 39001 and 39002):
http://dmv.ca.gov/pubs/vctop/vc/tocd16_7.htm
- Local governments, through the municipal code, determine whether licenses are needed in order to operate bicycles in that jurisdiction.
- Local Ordinances: City of Capitola 10.44.010; City of Santa Cruz 10.68.110; City of Watsonville 4.1.05; UCSC Code #29

Renewal frequency:

- Bicycle licenses "shall be renewed uniformly throughout the state on January 1 of the third year following the year of registration". For example, if a license was purchased on Jan 1, 2010, renewal is required on Jan 1, 2013. If a license was purchased on July 20, 2010, renewal on Jan 1, 2013 is also required.
