Santa Cruz County Regional Transportation Commission (RTC)
June 27, 2019 Special Meeting Highlights

Measure D Strategic Implementation Plan and Potential Financing Options Presentation
The RTC received a presentation from financial advisory consultants, KNN Public Finance, LLC, on the development of the inaugural Measure D Strategic Implementation Plan (SIP) and funding and borrowing options for Measure D projects and programs.

Highway 9/ San Lorenzo Valley Complete Streets Corridor Plan
The RTC received the final Highway 9/San Lorenzo Valley Complete Streets Corridor Plan. The plan identifies, prioritizes, and will facilitate implementation of transportation projects along Highway 9 and connecting roadways through San Lorenzo Valley. The final plan integrates comments received on the draft plan. The plan will be submitted to Caltrans and County of Santa Cruz for consideration and the RTC will continue to work in partnership with Caltrans, the County, Santa Cruz METRO and stakeholders to facilitate implementation of priority projects and concepts identified in the plan. The RTC requested that Caltrans implement near-term safety modifications along Highway 9 and to provide frequent progress updates.

Alternative Analysis for High Capacity Public Transit on the Rail Right-of-Way – Scope of Work for Request for Proposals
The RTC reviewed the draft scope of work to be released in the request for proposals for the Alternatives Analysis of High Capacity Public Transit on the Rail Right-of-Way and directed staff to incorporate input received in a revised scope of work and return to the Commission in August for further discussion.

Federal Legislative Update from RTC Federal Assistant
The RTC received a legislative update on federal items and activities in 2019 of interest.

Capitola Trestle Feasibility Study Update
The RTC approved a shift in the Measure D 5-year plan in fund allocation to the Capitola Trestle feasibility study from Fiscal Year 2019/20 to 2020/21 to line up with the completion of the Alternatives Analysis for High Capacity Public Transit on the Rail Right-of-Way.
