Santa Cruz County Regional Transportation Commission (RTC) March 4, 2021 Meeting Highlights

Financially Constrained Project List for 2045 Transportation Plans

The Regional Transportation Commission (RTC) approved the project list, identifying financially constrained projects for inclusion in the 2045 Santa Cruz County Regional Transportation Plan, Association of Monterey Bay Area Governments (AMBAG) Metropolitan Transportation Plan - Sustainable Communities Strategy (MTP-SCS) and evaluation in the program-level Environmental Impact Report (EIR). The RTP and MTP-SCS include goals, targets and policies that are used to prioritize projects for funding (Policy Element); identify the area's transportation needs (Action Element); and estimate the amount of state, federal and local funds that is reasonably expected to be available (Financial Element).

Federal and State Legislative Updates

Through its Legislative Program, the RTC monitors and provides input to state and federal agencies and representatives on legislative and administrative actions that could impact transportation funding or implementation of the Regional Transportation Plan (RTP), Measure D, Transportation Improvement Programs (TIP), and transportation projects in Santa Cruz County. The Regional Transportation Commission (RTC) received an update on state and federal legislative activities that could impact local transportation projects and programs.
