RE: Assembly Bill 361 Findings for Virtual and Hybrid Meetings

RECOMMENDATIONS

Staff recommends that the Regional Transportation Commission (RTC) find that:

1. The RTC has reconsidered the circumstances of the current COVID-19 state of emergency; and
 2. The state of emergency continues to directly impact the ability of the members of the RTC, its committees, its staff and the public to meet safely in person; and
 3. State or local officials continue to recommend measures to promote social distancing; and
 4. Therefore, meetings of the RTC will continue to be held in a hybrid or virtual format via Zoom and meetings of RTC committees will be held virtually via Zoom.
-

BACKGROUND

In March 2020, due to the COVID-19 pandemic, Governor Newsom declared a state of emergency which remains in effect. The Governor also issued executive orders suspending several provisions of the Brown Act to ensure that the work of government agencies could continue with virtual meetings to reduce the risk of spreading COVID-19. The executive orders suspending the Brown Act provisions expired on September 30, 2021. AB 361 was signed into law and took effect on October 1, 2021, which allows virtual meetings as long as the declared state of emergency continues and requires that findings be made by local agencies to continue virtual and/or hybrid meetings.

DISCUSSION

Unfortunately, the COVID-19 pandemic continues; therefore, the RTC has been making the necessary AB361 findings at its meetings since November

2021 to continue to hold virtual and/or hybrid meetings. The goal of the RTC is to hold RTC meetings in a hybrid format as long as the COVID-19 situation permits, and the facilities are available for hybrid meetings. The August 4, 2022 meeting was the first hybrid RTC meeting. Staff will continue to plan for hybrid RTC meetings, which currently can only take place using the County Board Chambers. For hybrid meetings, a limited number of Commissioners and members of the public may participate in person. Everyone participating in person will need to abide by Santa Cruz County requirements that may be in place for wearing masks and social distancing. All others will participate via Zoom. All of the meetings of RTC committees will continue to be virtual meetings via Zoom because conference rooms are not equipped for hybrid meetings.

To continue to hold virtual and/or hybrid meetings, the RTC must continue to make findings as required in Section 54953 of the Government Code, added by AB 361, which states:

“(3) If a state of emergency remains active, or state or local officials have imposed or recommended measures to promote social distancing, in order to continue to teleconference without compliance with paragraph (3) of subdivision (b), the legislative body shall, not later than 30 days after teleconferencing for the first time pursuant to subparagraph (A), (B), or (C) of paragraph (1), and every 30 days thereafter, make the following findings by majority vote:

- (A) The legislative body has reconsidered the circumstances of the state of emergency.
- (B) Any of the following circumstances exist:
 - (i) The state of emergency continues to directly impact the ability of the members to meet safely in person.
 - (ii) State or local officials continue to impose or recommend measures to promote social distancing.”

Therefore, staff recommends that the RTC find that RTC has reconsidered the circumstances of the current COVID-19 state of emergency; the state of emergency continues to directly impact the ability of the members of the RTC, its committees, its staff and the public to meet safely in person; and state and local officials continue to recommend measures to promote social distancing; and meetings of the RTC will be virtual or hybrid while meetings of committees will be virtual.

30-Day Requirement for AB 361 Findings

State law requires that findings to continue virtual and/or hybrid meetings be made every 30 days. State law also allows special virtual meetings for the sole purpose of making AB 361 findings to hold virtual and/or hybrid meetings. Therefore, the RTC may periodically hold special virtual meetings solely for the purpose of making necessary AB361 findings. A number of agencies around the state are working towards legislative modifications so such special meetings will not be required but such modifications are not anticipated soon.

FISCAL IMPACT

The costs necessary to hold meetings of the RTC either as regular Brown Act meetings, virtual meetings or hybrid meetings are included in the approved RTC budget. The costs to hold Brown Act and virtual meetings of RTC committees are also included in the RTC budget. No additional fiscal impacts are anticipated for such meetings at this time. For hybrid meetings of RTC committees, it would likely be necessary to equip conference rooms accordingly, which would have additional fiscal impacts.

SUMMARY

Due to the current COVID-19 pandemic, the Governor declared a state of emergency and issued executive orders to allow public agencies to hold meetings virtually. The executive orders allowing virtual meetings expired and AB 361 was signed into law to allow the continuation of virtual and/or hybrid meetings as long as the state of emergency still exists and public agencies make appropriate findings. Staff recommends that the RTC make such findings to allow virtual and/or hybrid meetings of itself and its committees.
