The SLV Schools Access Project includes Highway 9 between Glen Arbor and Graham Hill Road, and access to/from SLV Elementary, Middle, and High Schools (SLV Schools).

The project will build upon the 2019 Highway 9/San Lorenzo Valley Complete Streets Corridor Plan, and aims to improve access by walking, bicycling, transit, and car. In addition to improving circulation into and within the SLV Schools, the project will look to improve traffic flow along Highway 9 for non-school traffic.

Project benefits may include, but are not limited to: safety improvements, reduced traffic congestion, and enhanced travel for transit riders, pedestrians, bicyclists, wheelchairs, and other mobility devices, expanding universal access for Americans with disabilities.

Draft concepts are subject to change based on subsequent environmental review, engineering design, permitting, property ownership review, and funding availability. Potential traffic signal or roundabout subject to traffic study in future design phase per Caltrans requirements.

1. Relocate Driveway and Add “Right-Only” Exit
2. Designate “Bus Only” Travel Lanes
3. Add Student Loading Zone
4. Designate to One-way Car Travel
5. Widen for Additional Car Parking
6. Enhance Transit Stops (On-Campus & Hwy 9)
7. Add Sidewalk to Elementary School Driveway
8. Improve Sidewalk on Northbound Highway 9
9. Provide Continuous Bike Lane/Shoulder
10. Maintain Right-Turn Pocket

NEXT STEPS AND ACTION ITEMS
1. Advance Engineering Concepts
2. Refine Concepts with Project Partners
3. Continue Stakeholder Presentations
4. Solicit Additional Community Input
5. Prepare Schedule and Phasing Plan
6. Finalize Summary Report
7. Pursue Grant Funding

CHALLENGES TO IMPLEMENTATION
- All Concepts shown are graphic in nature and do not represent approved project or commitment of funds.
- Implementation requires additional engineering work including:
  - Environmental Review
  - Permitting
  - Right-of-Way and Property Ownership
  - Preliminary & Final Design
  - ADA Compliance

PHASING PLAN ELEMENTS
- Schedule
- Estimated Total Project Costs
- Cost by Project Phase
- Costs by Year
- Potential Funding Sources

PROJECT PARTNER AGENCIES/STAKEHOLDERS
- Santa Cruz County Regional Transportation Commission (SCCRTC)
- San Lorenzo Unified School District (SLVUSD)
- County of Santa Cruz (DWP)
- Santa Cruz Metropolitan Transit District (METRO)
- California Department of Transportation (Caltrans)
- San Lorenzo Valley Community (Public)
