## Measure D Annual Report Cover Sheet - Fiscal Year <u>2021/22</u> Investment Category: San Lorenzo Valley (SLV)/Highway 9 Corridor

Lead Agencies: RTC, Caltrans, County of Santa Cruz

**Dear Measure D Taxpayer Oversight Committee**: The <u>Santa Cruz County Regional</u> <u>Transportation Commission (RTC)</u> is pleased to present the following information demonstrating compliance with the voter-approved Measure D Ordinance, Strategic Implementation Plan (SIP), agreements and guidelines. Collectively they make up the Measure D annual report for <u>San Lorenzo Valley/Hwy 9 Corridor Improvements</u>.

As noted in the Measure D Expenditure Plan, the Neighborhood Projects investment category includes **\$10 million in Measure revenues over 30 years for transportation projects improving travel for residents of San Lorenzo Valley.** 

| Measure D Financial Information  |                             |  |  |  |  |  |  |  |
|--|-----------------------------|--|--|--|--|--|--|--|
| FY21/22 Formula Allocation   | \$333,333                   |  |  |  |  |  |  |  |
| April 2017 Formula funds reflected in the FY21/22 audit  | \$13,889                    |  |  |  |  |  |  |  |
| Unspent Prior Year Allocations   | \$1,299,285                 |  |  |  |  |  |  |  |
| Interest earned in FY21/22 (including on Unspent Prior Allocations)  | 6,159                       |  |  |  |  |  |  |  |

|     | <ul> <li>In 2019 a major community-based plan was developed to prioriti<br/>the corridor with a combination of Measure D and Caltrans Plan<br/>Building off the community-based Highway 9/San Lorenzo Valle</li> </ul> | ning Grant funds.              |

Streets Corridor Plan, Caltrans and RTC used Measure D funds in FY2021/22 to scope and identify priority projects for implementation along the corridor through preparation of a Project Initiation Document (PID). The PID was completed in 2022 and Measure D revenues are being used to leverage other funds and initiate future phases of priority projects to get them construction-ready.

- One high-priority project is improving access to and circulation past the SLV elementary, middle and high schools north of Felton, for all modes of transportation. In Spring 2022, RTC worked with SLV Unified School District (SLVUSD) and Caltrans to initiate the SLV Schools Access Study. Measure D was used to leverage grants and other funds for this work. With robust input from the public, as well as collaboration within the 5-agency project management team (RTC, SLVUSD, Santa Cruz County public works, Caltrans, and METRO), draft circulation concepts are under development that, when finalized, will enable RTC and partners to seek funding for environmental review, final design, and construction phases.
- Balances will be used to leverage state funds and grants to implement communityidentified priorities.

b. Future Liabilities: Since only 1/30<sup>th</sup> of the \$10 million in Measure D funds designated for this project are allocated each year (approx. \$333k/year over 30 years) and the Complete Streets Corridor Plan identified over \$100 million in priorities, the RTC, County of Santa Cruz and Caltrans will utilize Measure D funds to leverage other funds. This includes looking at opportunities to integrate bike and pedestrian facilities into Caltrans SHOPP and County of Santa Cruz maintenance, operational and safety projects.

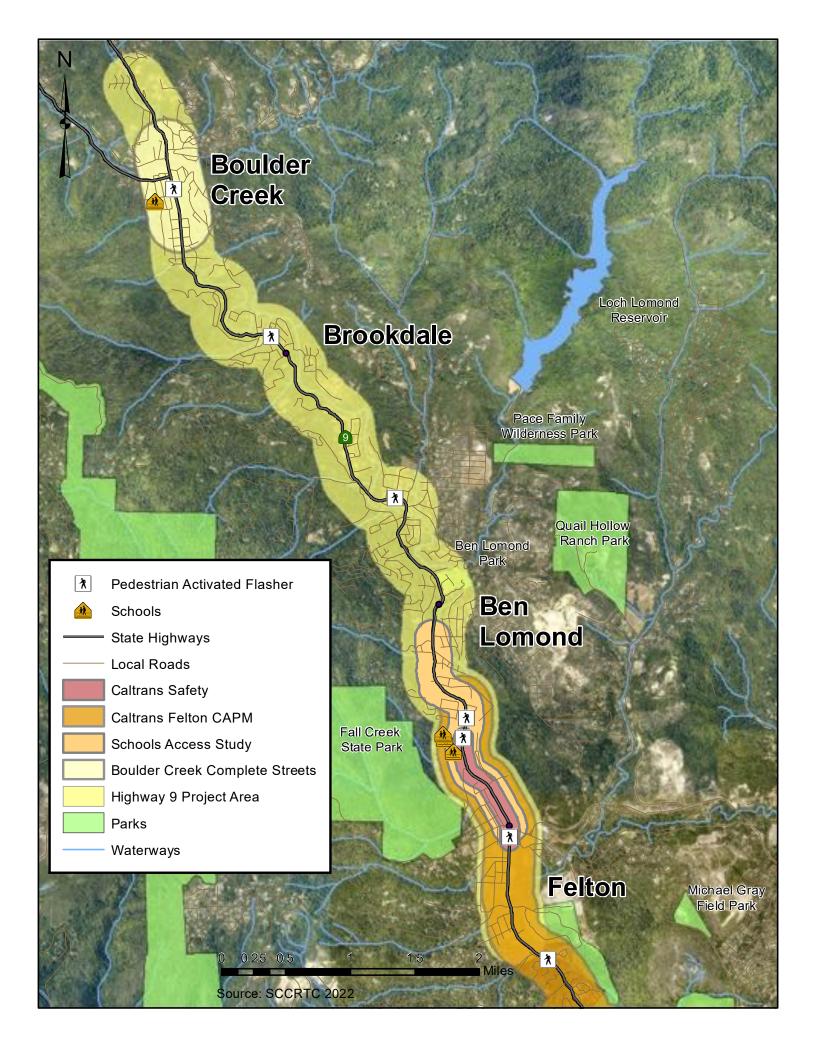

| c. Compliance with Applicable Laws: Confirm projects were<br>implemented in compliance with applicable laws, regulations,<br>requirements, standards of practice, guidelines, etc. | Yes – projects will<br>be implemented<br>following Caltrans,<br>state, and local<br>regulations |
