REGULAR AGENDA

9. Appointments to Citizens Advisory Committees by County Supervisors

Luis Mendez, Deputy Director provided presented the staff report. Commissioners clarified that the intent of the revisions is only to change the term to align with the supervisorial term. Commissioners communicated that they would like the term to be 4 years and to start in April after each county supervisor is elected or reelected with understanding that committee appointees to the supervisorial district positions will serve at the will of the corresponding supervisor.

Received public comment from:
Janet Edwards, member of Elderly and Disabled Transportation Advisory Committee.

Commissioner Alternate Schiffrin motioned and Commissioner McPherson seconded the motion to approve the staff recommendation with the addition that terms for appointments to RTC citizens advisory committees have a terms of 4 years beginning in April after the election or reelection of the appointing supervisor and that appointees will serve at the will of the corresponding supervisor.

The motion passed unanimously with Commissioner Koenig, McPherson and Commissioner Alternates Schiffrin and Hurst voting “aye”

10. Amendments to Fiscal Year (FY) 2022-23 Budget and Work Program

Director of Budget and Finance, Tracy New presented the staff report.

Commissioners discussed: if reserve amount was at an appropriate level given the economic condition; an option to add a mid-year review specifically for
reserves; the reality that project bids are coming in higher than estimates; cost estimates for Highway 1 proposed for grant matches; request that staff bring more detailed information about the increase to the Measure D expenditure for Highway 1 for the competitive grant match at a future Commission meeting.

Sarah Christenson and Rachel Moriconi responded to Commissioner questions noting that to obtain grant funding a match is necessary; that RTC staff is currently applying for additional federal grants that could potentially provide funding for this project and that before the RTC were to issue any bonds, staff would return to the Commission for authorization and provide details about timing of the bonding.

Commissioner Alternate Schiffrin motioned and Commissioner McPherson seconded the staff recommendation to:

1. Approve the proposed amendments to the RTC FY2022-23 budget and work program and Measure D FY 2022-23 budgets.
2. Provide input on proposed amendments to the Measure D 5-year plan and programming.
3. Accept the June 2022 Measure D Economic Forecast and Sales Tax Update from HdL Companies.

The motion passed unanimously with Commissioner Koening, McPherson and Commissioner Alternates Schiffrin and Hurst voting “aye”
