

# Draft 2040 Regional Transportation Plan Project List

## Constrained and Unconstrained Projects - Not Escalated

Projects listed by lead agency, in alphabetical order by project name.  
 Project IDs without the letter "P" in front of the number have been also included in the Regional Transportation Improvement Program.  
 "Constrained" represents amount of project cost that could be funded with revenues anticipated through 2040.  
 While some projects have secured funding, this amount does not typically represent committed funds. "Unconstrained" represents amount of project cost that would need additional funding in order to be implemented.

All Figures in year 2016, '000s (thousands of dollars)

Project Title	ID	Project Description/Scope	Est total cost	Constrained	Unconstrained
